

# DYI Outdoor Games for Kids

## **FIRE ON THE MOUNTAIN – AFRICA**

This rhythmic chase game begins with everyone forming a big circle. One player calls out, “Fire on the mountain!” And everyone runs to find a partner. Those left without a partner are out or take on a new challenge in the next round. The game continues with playful variations like “Fire in the kitchen!” or “Fire in the forest!” It’s full of laughter, surprise, and energy, showing how community and quick thinking go hand in hand.

**Players:** 6 or more players
